Chapter 1 by Xzynder

I woke up.

I felt tired. I didn't want to get up until I remembered what happened.
My mother needs my help. I thought to myself. It all slowly came back to me. We were walking down the street when my mother was jumped. I'm not a strong person, but I tried to help her. They pushed me aside and toke her to a dark alley.

When I tried to follow them, one of the men pointed a weapon at me. It was very freighting, but it wasn't a gun, so it was confusing. He pulled the trigger but no sound.

Now I'm here, and I feel no pain. *What is this place?* I sit up and see this girl. " Oh, you're finally awake." Her voice was soft and sounded innocent.
